Donating Gifts of Securities

The Board of Trustees and Staff of the Independent Catholic Foundation are grateful to you for your interest in donating appreciated securities either for the benefit of the Foundation or as a pass-through for the benefit of other Catholic nonprofit causes. In all instances, it is advisable to consult with your financial advisor and/or tax consultant to determine your specific charitable gift benefits. He or she will need the information on this document to complete the transfer of securities.

Prior to the transfer of securities, please communicate your intention to Chris Ringkamp at the Independent Catholic Foundation with the stock name/symbol, number of shares to be donated, any gift restrictions and whether the gift is being made anonymously.
