Dear Friends,

On behalf of my Trustee peers past and present,  
I extend my heartfelt appreciation to each of you for  
your interest in the Independent Catholic Foundation.

Tonight's celebration is not only the culmination of  
more than three decades of trust that the Catholic  
community has placed upon the Independent Catholic  
Foundation, but also our prudent stewardship of your  
charitable contributions.

We have been blessed by your encouragement and  
advocacy of our mission, and you can rest assured of  
our commitment to uphold our shared Catholic values  
while financially lifting up parishes, schools, ministries,  
and cemeteries within and beyond the Catholic Diocese  
of Altoona-Johnstown.

May God's abundance continue to be revealed through  
acts of generosity whether intentional or spontaneous.

With Warmest Personal Regards,

*Joseph Vincent “Jay” Paterno, Jr.*

Jay Paterno is an accomplished author, coach, and commentator, with deep roots in the world of college football. As the son of legendary coach Joe Paterno, Jay grew up immersed in the culture of the sport and went on to build an impressive career of his own. He served as a coach for over two decades, including 17 years at Penn State, where he helped develop championship-caliber teams and mentored countless athletes both on and off the field.

A passionate advocate for the game, Paterno’s career has expanded beyond coaching. He is the author of several books, including “Paterno Legacy: Enduring Lessons from the Life and Death of My Father,” which offers personal insights into his family’s legacy and the values his father instilled in the sport. His latest work, “BLITZED! The All-Out Pressure of College Football’s New Era,” delves into the challenges and pressures of modern-day college football, a fast-changing landscape driven by big money, transfers, and NIL deals.

In addition to his writing, Paterno is a sought-after speaker and media commentator. His eulogy for his father is listed among American Rhetoric’s Top American Speeches of the 21st Century. His expertise on leadership, the evolution of college athletics, and the impact of social and cultural shifts in sports has made him a respected voice in the industry. He regularly appears on major media outlets, offering his analysis and unique perspective on the future of football.

Off the field, Paterno is also known for his work as a philanthropist and advocate for causes he is passionate about, including education, health, and social justice. Through his multifaceted career, Jay Paterno continues to leave a lasting impact on college football and beyond. Learn more at [jayvpaterno.com](http://jayvpaterno.com).

# Permanent Endowments

Since 1990, the Independent Catholic Foundation has administered permanent endowment funds that provide supplemental annual income to Catholic parishes, schools, ministries and cemetery associations primarily within the geographic region of the Diocese of Altoona-Johnstown. An endowment offers individuals, families, and agencies the opportunity to define a long-term donor-designated purpose for the existence of one or more charitable causes.

A board of lay trustees has complete fiduciary responsibility of governing the Foundation, with day-to-day administration assigned to two employees.

## **Partnering with the Independent Catholic Foundation**

We encourage individuals and families to establish endowments in honor or memory of loved ones as a way to celebrate their legacies. Our endowments support U. S. Catholic nonprofits such as parishes, missions, diocesan offices and ministries, elementary, middle and high schools, institutions of higher education, social service agencies, religious orders of women and men, and many more.

New endowments may be started with \$10,000 or more from charitable contributions or through a gift in your will or estate plan. We accept checks, gifts of securities, Donor-Advised Fund grants, IRA distributions, beneficiary designations from trusts, insurance policies, CDs, etc.

## **Endowment Administration**

Our Trustees have held steady to a 5% spending rate of the 20 trailing quarter average for several years. By smoothing market volatility, we are releasing as much as possible while protecting each fund's permanent principal.

Our modest annual administration fee of 1% has not changed since 2014. This, coupled with custodian and advisor fees below 0.24%, allows us to remain competitive. Because we are self-sufficient with our administrative expenses, we do not need to compete with our endowment beneficiaries for administrative contributions.

As a nonprofit, charitable foundation established by Catholics for the benefit of Catholic charitable causes, our commitment to Catholic investing makes us unique among community foundations in Central Pennsylvania.

## USCCB Socially Responsible Investment Guidelines

True to our mission, we invest our endowments through the lens of socially responsible guidelines issued by the U. S. Conference of Catholic Bishops (USCCB). The guidelines are grounded by two principles of:

1. Social Doctrine
2. Stewardship,

and three investing strategies that:

1. Avoid Doing Harm,
2. Actively Work for Change,
3. and Promote the Common Good.

The investment policies consist of five major categories:

1. Protect Human Life
2. Promote Human Dignity
3. Enhance the Common Good
4. Pursue Economic Justice
5. Save Our Global Common Home

The complete USCCB *Socially Responsible Investment Guidelines* are posted on the Conference's website by searching for the title at [www.usccb.org](http://www.usccb.org).

# Catholic Investing Performance

Investing our endowment assets through the lens of our Catholic values is a strategy welcomed by anyone - clergy and laity alike - who appreciates investments that are unblemished by immoral corporate activity. Contrary to prevailing perceptions, this strategy does not cause us to forfeit earnings compared to secular investments held by community foundations.

Our Finance & Investment Committee - with excellent guidance from our investment advisor - has made diligent decisions that demonstrate the longevity of our sound stewardship of perpetual endowments.

Our Investment Policy Statement places our modeled nominal return at 6.0% with a perpetual time horizon. In the ten-year period ending June 30, 2025, our annual average return of 7.24% exceeded its secular benchmark.

To view a complete list of our endowments, please visit this web address (<https://icf.fcsuite.com/erp/donate>) or scan the QR code:

## Donor-Advised Funds

As a 501(c)(3) public charity, we have expanded our charitable services by sponsoring **Donor-Advised Funds** (or DAFs), which are charitable spending accounts that allow individuals and families to streamline their charitable giving and support worthy causes when the time is right.

The DAF owner receives immediate tax receipts as donations are made into his/her DAF. With no government-imposed deadline to make DAF grant recommendations, the donor has the freedom to decide when and how often to support his or her cherished charitable causes.

Donor-Advised Funds are competitive alternatives to private family foundations since administrative services and fees may be minimized, favorable tax benefits may be earned, and annual grant requirements do not exist.

Donor-Advised Funds may be opened for \$2,000 or more through us.

## Impact Grants

In 2017, long-time Bethlehem Steel inspector Lou Fleckenstein designated a \$955,000 unrestricted gift in his will to ICF. Our Board at the time decided to invest the gift as an endowment, using annual distributions for matching Impact Grants for local parishes and schools.

In just eight annual grant cycles, his bequest has allowed us to award 217 Impact Grants amounting to \$341,000, or 35% of the gift. In that same time, the market value of his gift has grown to \$1.1 million.

Mr. Fleckenstein likely did not realize the impact of his gift, but we are honored to celebrate his generosity with each Impact Grant we award.
